

Dear Noble:

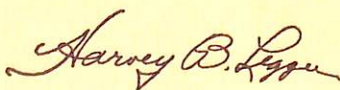

Our Shriners Spring Tour this year for the Nobles and their families will be to the exciting and colorful Canary Islands—for 8 days and 7 nights. Conditions beyond our control have precluded us from going to Aruba or Trinidad.

The Canary Islands are one of the few paradises left in the world, perfect weather conditions, located off the North Coast of Africa, near Spanish Morocco. Delicious cuisine served with all the elegance of Europe. Your Canary Island vacation to Tenerife, the largest of the Canary Islands, will be an experience you will never forget.

So many of our Nobles and their families have had such a delightful time in Paris, San Juan, Jamaica, Copenhagen and the French Riviera, we are continuing our format of a short vacation at a low price to a point of great interest. By traveling as a group, we can save a considerable amount of money and still have first class accommodations and transportation throughout the tour. We are forced to limit this tour, therefore, we will accept reservations on the basis of first come, first served. On all our previous tours, we have been sold out, so do not be left out this time. Get your deposit in early.

We certainly hope you will have the opportunity of joining us on this tour. If there is any further information you require or any service we can render, please do not hesitate to call us.

Sincerely,

Harvey B. Leggee, Recorder
